

Evidence-Based

Help Students Say No to Sexual Activity

ETR

Associates

Draw the Line/ Respect the Line

Promote Abstinence

Grade 6 features limit setting and refusal skills in a non-sexual context.

Grade 7 examines consequences of unplanned sex, including STD, and teaches refusal skills in party situations.

Grade 8 features practice of refusal skills in dating situations and covers basic information about condoms, including how to use them.

This comprehensive, research-evaluated curriculum

promotes abstinence by providing students in grades 6, 7 and 8 with the knowledge and skills to prevent HIV, other STD and pregnancy. Using a fun, interactive approach, *Draw the Line/Respect the Line* shows students how to set personal limits and meet challenges to those limits.

- Evaluated in a research study
- Increased knowledge and improved perceptions of peer norms about sex, and delayed initiation of sex among boys
- Features English/Spanish worksheets and a Latino-sensitive approach
- Stresses that postponing sexual activity is the best plan
- Covers setting limits to prevent HIV, other STD and pregnancy
- Discusses social pressures, challenges to personal limits, and communication and refusal skills
- Offers fun, interactive lessons

A set for every budget
