Newsmaker of the Year: Wilton Rancheria

The Wilton Rancheria drew high attention in 2021 with their Sky River Casino project. This facility is currently under construction near Kammerer Road and Highway 99. The tribe broke ground on that project on March 9 after several years of planning.

Sky River is being built on the former site of the "Ghost Mall" – Elk Grove's longtime partially built outlet mall, which was demolished in 2019 after 11 years of construction inactivity.
