## Federal government unpauses Redding Rancheria casino moving project

The Redding Rancheria is moving ahead with plans to build a new resort and casino closer to Interstate-5. The CEO of Redding Rancheria, Tracy Edwards, said there is not a set start date for construction. The federal government unpaused the application for the Win-River resort to relocate along the Sacramento River just south of Redding. The Redding Rancheria will need to continue to work on the environmental impact reports, meaning it will hold public studies and hear people's concerns.
