The Morongo Casino Resort & Spa presented a \$128,643 check to the Boys and Girls Clubs of the San Geronio Pass to support the organization's vital community youth programs.

Due to the nationwide coin shortage caused by the COVID-19 pandemic, businesses across the country – including casinos like Morongo – have had limited access to quarters, nickels, dimes, and even pennies.

Wilton Rancheria secures \$565 Million for construction of Sky River Casino in the Sacramento Area

TFA Securities, Inc., a wholly owned subsidiary of TFA Capital Partners, Inc. (TFA), announces they served as sole financial advisor to the Wilton Rancheria and the Wilton Rancheria Gaming Authority, in connection with its \$565 million project financing transaction. With the closing of the transaction, Wilton Rancheria along with its world-class development partner Boyd Gaming can begin construction on the newest property to enter the Northern California market.

Highland, San Manuel renew agreement for Victoria Avenue interchange improvements

[Click here to view article](#)

On Tuesday, March 9, Highland City Council approved a revised memorandum of understanding with San Manuel Band of Mission Indians for a joint project to construct an improved State Route 210/Victoria Avenue interchange in Highland.

According to City Engineer Carlos Zamano, the original agreement, signed in 2011, was not executed due to delays relating to San Manuel staffing changes. City staff has been in contact with the new staff at San Manuel, and they are interested in moving the project forward.
