AGE

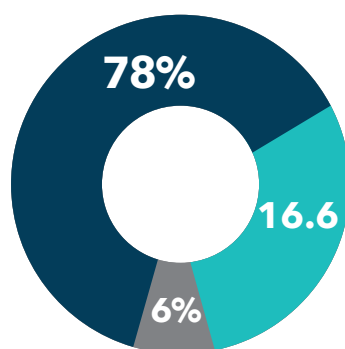

GRADE

The surveys were completed by youth who attended a 1-day American Indian college and career fair conference "Dream the Impossible" in Riverside.

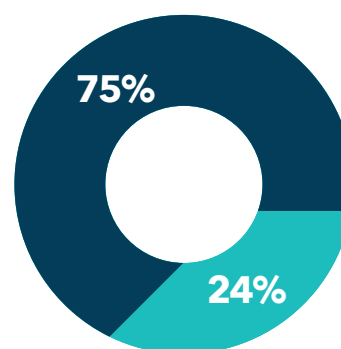

ATTITUDES TOWARDS COMMERCIAL TOBACCO

There is no risk-free level of exposure to commercial secondhand smoke

I understand the difference between commercial and sacred tobacco

There needs to be more policies to reduce exposure to commercial secondhand smoke

STRONGLY AGREE OR AGREE

NEUTRAL

STRONGLY DISAGREE OR DISAGREE

Chew

1%

Marijuana

11%

None of the above

75%

YOUTH PERCEPTIONS OF HARM

8 IN 10

Feel that there is **great** or **moderate** harm to smoking one or more cigarettes a day

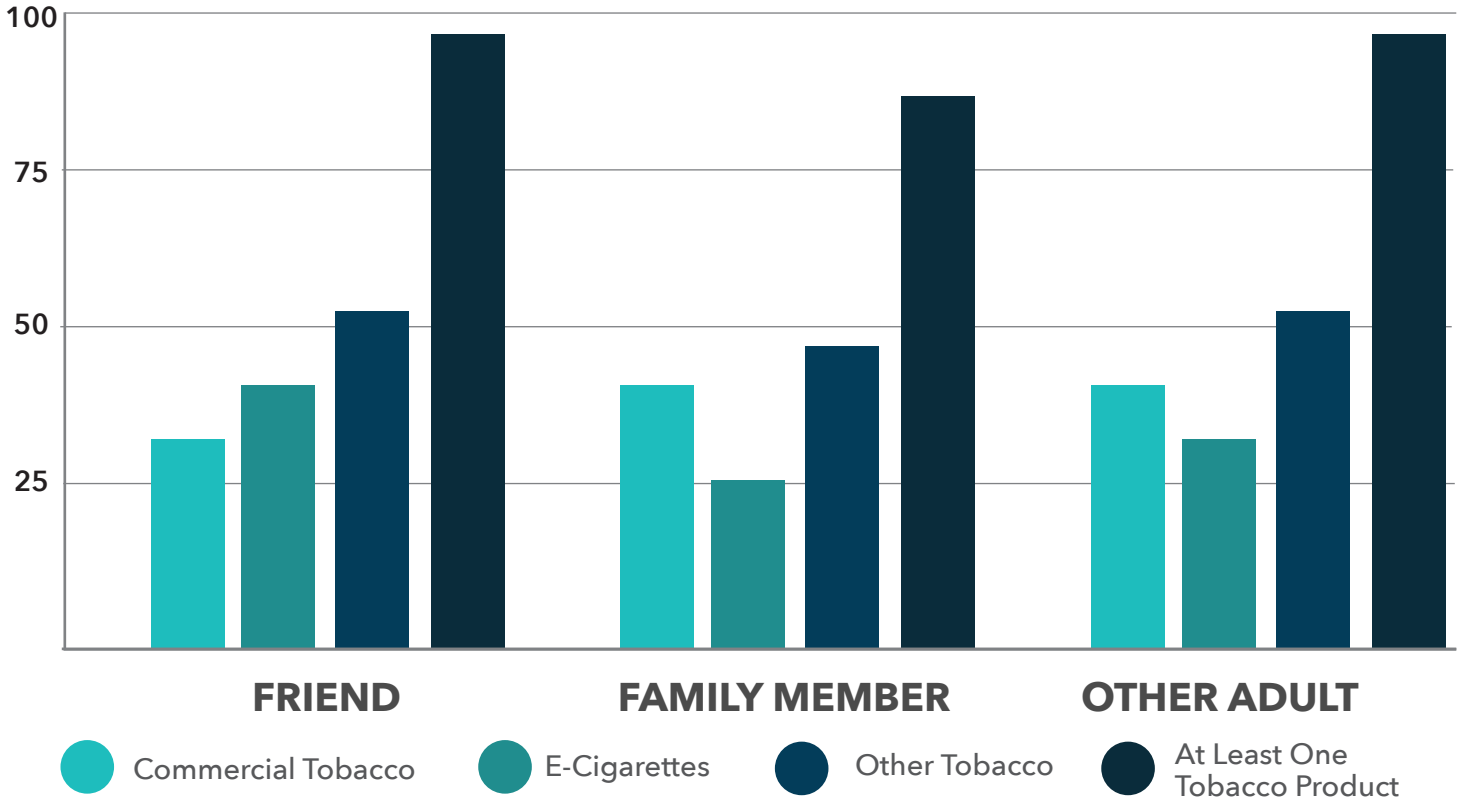

8 IN 10

Feel that there is **great** or **moderate** harm engaging in five to ten minutes of e-cigarette use per day

I KNOW OF A ... WHO USES

QUOTES FROM YOUTH

"Put more restrictions on drugs so it's harder to get them"

"Being the next generation we can stop smoking and the use of vapes by no longer participating in any of that activity"

Involve in your community and make suggestions that can may lead into bigger obligations
