A newly issued state liquor license offers some insight into what is slated to be the Central Valley's newest casino.

The California Department of Alcoholic Beverage Control issued a license for the North Fork Casino Oct. 11, allowing the future entertainment venue to serve beer, wine and liquor. It was issued under Rule 64B, which allows for the license to be issued while a building is under construction.

Pechanga Named Best Casino West of Las Vegas

According to a USA Today series of polling, Pechanga Resort and Casino was named to a series of "Best Of" categories, for casinos in the United States.

Voters from around the nation flooded the polling boxes, giving Pechanga all the support they needed in securing their spot as the second-best Hotel Casino Outside of Vegas, the Best Casino West of Vegas and the fourth-best Casino Hotel. Pechanga finished behind Foxwoods Resort Casino in Mashantucket, Connecticut. They are the only California casino to be ranked on both lists, while Yaamava' Resort and Casino (formerly known as San Manuel Casino) is the only other California based resort to make it.

Rolling Hills Casino in Corning celebrates expansion

Click here to view article

It has been a journey through a worldwide pandemic, but Rolling Hills Casino and Resort Thursday afternoon held a grand opening celebration for the expansion of its facility. Besides increasing the gaming area by 40 percent and adding conference facilities, the expansion adds Rock & Brews and Fatburger restaurants and a brewery. The Rock & Brews open in April. A casino official said the Fatburger and brewery would be ready in a month or so.
