

HealthSmart Alignment with South Carolina Standards for Health and Safety Education

**Middle School
Grades 6–8**

HealthSmart Middle School Unit Key**ABST** = Abstinence, Puberty & Personal Health**EMH** = Emotional & Mental Health**HIV** = HIV, STI & Pregnancy Prevention**NPA** = Nutrition & Physical Activity**TAOD** = Tobacco, Alcohol & Other Drug Prevention**VIP** = Violence & Injury Prevention

HEALTH STANDARDS	ABST	EMH	HIV	NPA	TAOD	VIP
Standard 1: Students will comprehend concepts related to health promotion and disease prevention to enhance health.						
Alcohol, Tobacco, and Other Drugs						
D-6.1.1 Identify reasons why individuals use and abuse alcohol, tobacco, and other drugs (ATOD).					11	
D-6.1.2 Describe short and long-term effects and consequences of ATOD use, including secondhand smoke.					2, 3, 4, 6, 7, 8	
D-6.1.3 Discuss the risks associated with over-the-counter and prescription drugs.					5, 7	
Growth, Development, and Sexual Health and Responsibility						
G-6.1.1 Explain how family roles, rules, and responsibilities change over time.	Not covered					
G-6.1.2 Describe how the endocrine system affects growth and development.	7 [in context of hormones]					
G-6.1.3 Identify the structures and functions of the male and female reproductive systems.	5, 6					
G-6.1.4 Explain why abstinence is the most effective means of protecting reproductive health.	11, 16					
G-6.1.5 Describe the scientific process of fertilization.	8					
G-6.1.6 Describe the signs and symptoms of pregnancy.	Not covered					
G-6.1.7 Identify reproductive problems found in males and females.	Can be addressed in 5, 6					
G-6.1.8 Define the terms sexually transmitted infections and diseases (STIs/STDs) and human immunodeficiency virus (HIV).			6, 7			
G-6.1.9 Discuss South Carolina laws relating to the sexual conduct of minors, including criminal sexual conduct through the use of technology.	Specific state laws will need to be added. Possible lessons:					
	10 [sexting]					17 [abuse]

HEALTH STANDARDS	ABST	EMH	HIV	NPA	TAOD	VIP
Standard 1 (continued)						
Injury Prevention and Safety						
I-6.1.1 Describe ways to reduce and prevent injuries.						1, 2, 3, 4, 5, 6, 7
I-6.1.2 Examine issues surrounding violence and discuss strategies for violence prevention.						8, 9, 10, 11, 12, 13, 16, 17
I-6.1.3 Describe situations that constitute bullying, cyberbullying, sexual harassment, sexual abuse, sexual assault, rape, domestic violence, and dating violence.						9, 11, 17
I-6.1.4 Discuss ways sexting violates personal boundaries.	10					
Mental, Emotional, and Social Health						
M-6.1.1 Discuss the importance of a positive self-concept.		3		11		
M-6.1.2 Define the term <i>resiliency</i> .		3 [add specific definition]				
M-6.1.3 Examine grief and ways to deal with loss.		12				
M-6.1.4 Review decision making models.		14				
M-6.1.5 Identify the risk of self-harm.		8				
Nutrition and Physical Activity						
N-6.1.1 Describe the benefits of healthy eating in relation to disease prevention.				3		
	Covered in more detail in High School					
N-6.1.2 Define the term <i>disordered eating</i> .				13		
N-6.1.3 Explain how the body uses the six essential nutrients.				1		
N-6.1.4 Differentiate between unhealthy and healthy foods, snacks, and beverages.				3, 4, 6, 7		
N-6.1.5 Investigate the nutrition information on food labels to compare products.				4		
N-6.1.6 Describe the interrelationship among diet, physical activity level, and body weight.				12		
N-6.1.7 Examine food intake and physical activity in relation to the current federal <i>Dietary Guidelines for Americans</i> .				3		

HEALTH STANDARDS	ABST	EMH	HIV	NPA	TAOD	VIP
Standard 1 (continued)						
Personal and Community Health						
P-6.1.1	Compare strategies for reducing risks of chronic and communicable diseases.	3				
P-6.1.2	Give examples of personal hygiene practices.	9				
P-6.1.3	Describe ways a dentist helps to keep teeth and gums healthy.	Covered in Grades K–5				
P-6.1.4	Define what it means to be a blood donor.	Not covered				
Standard 2: Students will analyze the influence of family, peers, culture, media, technology, and other factors on health behaviors.						
Alcohol, Tobacco, and Other Drugs						
D-6.2.1	Analyze the influence of family and peers on a person's ATOD use.				9	
Growth, Development, and Sexual Health and Responsibility						
G-6.2.1	Describe the influence of families and peers on a person's body image.			11		
Injury Prevention and Safety						
I-6.2.2	Give examples of the threat of gangs or other violent behaviors to personal safety.					8, 9, 11, 13
Mental, Emotional, and Social Health						
M-6.2.1	Compare ways that family and peers influence the mental, emotional, and social health of adolescents.	12	4, 13			
M-6.2.2	Examine the interrelationship among mental, emotional, social, and physical health in adolescence.	7	1			
Personal and Community Health						
P-6.2.1	Compare ways that peers and the media influence healthy and unhealthy behaviors.	12, 13	4, 13		9, 10, 11	9, 11, 13, 14, 15
Standard 3: Students will demonstrate the ability to access valid information, products, and services to enhance health.						
Alcohol, Tobacco, and Other Drugs						
D-6.3.1	Discuss how to identify sources of help for someone who abuses ATOD.	Covered in High School				

HEALTH STANDARDS	ABST	EMH	HIV	NPA	TAOD	VIP
Standard 3 (continued)						
Growth, Development, and Sexual Health and Responsibility						
G-6.3.1 Demonstrate the ability to access appropriate resources for dealing with bullying, cyberbullying, sexual harassment, sexual abuse, sexual assault, rape, domestic violence, and dating violence.						10, 11, 13, 14, 17
Mental, Emotional, and Social Health						
M-6.3.1 Demonstrate the ability to locate appropriate health information and services for dealing with mental health issues within the community.		8		13		
Nutrition and Physical Activity						
N-6.3.1 Access valid information on healthy eating and physical activity.				1		
Personal and Community Health						
P-6.3.1 Discuss how to determine whether health information, products, and services are valid.	1, 4			4		
Standard 4: Students will demonstrate the ability to use interpersonal communication skills to enhance health and avoid or reduce health risks.						
Alcohol, Tobacco, and Other Drugs						
D-6.4.1 Utilize refusal skills to avoid ATOD use and to reduce risk behaviors.					15, 16	
D-6.4.2 Determine how to lessen the likelihood of being involved in risk behaviors.					10, 11, 17	
Growth, Development, and Sexual Health and Responsibility						
G-6.4.1 Demonstrate effective verbal and nonverbal communication skills to promote healthy parent, family, and peer relationships.	7, 10, 13	5, 12				
G-6.4.2 Demonstrate ways to communicate with parents, family members, or other safe adults about bullying, cyberbullying, sexual harassment, sexual abuse, sexual assault, rape, sexual abuse, sexual assault, domestic violence, and dating violence.						10, 15, 17
Injury Prevention and Safety						
I-6.4.1 Explain that no one has the right to touch anyone else in a sexual or physical manner if they do not want to be touched.			3			16, 17

HEALTH STANDARDS	ABST	EMH	HIV	NPA	TAOD	VIP
Standard 4 (continued)						
Mental, Emotional, and Social Health						
M-6.4.1 Discuss healthy ways to express feelings and relieve stress.		6, 7, 10, 11				
M-6.4.2 Demonstrate effective ways to communicate personal boundaries and show respect for the boundaries of others.	14	5	10, 13			
Standard 5: Students will demonstrate the ability to use decision-making skills to enhance health.						
Growth, Development, and Sexual Health and Responsibility						
G-6.5.1 Demonstrate effective ways to communicate personal boundaries and show respect for the boundaries of others, including those related to sexual activity and abstinence.	14	5	10, 13			
G-6.5.2 Identify steps in a decision-making process that promotes abstinence and avoids risk behaviors.			9			
Injury Prevention and Safety						
I-6.5.1 Describe the advantages and disadvantages of communicating using technology and social media, including the use of the internet.		13				
Mental, Emotional, and Social Health						
M-6.5.1 Discuss when it is important to seek information, support, and assistance regarding mental, emotional, and social health.		8		13		
Personal and Community Health						
P-6.5.1 Identify circumstances that can help or hinder healthy decision making.		14	9			6
Standard 6: Students will demonstrate the ability to use goal-setting skills to enhance health.						
Alcohol, Tobacco, and Other Drugs						
D-6.6.1 State a specific, measurable, attainable, realistic, and timely (SMART) goal to avoid ATOD use.	Not covered					
Personal and Community Health						
P-6.6.1 Set a SMART goal to develop and implement a personal health and wellness plan.		15		16		

HEALTH STANDARDS	ABST	EMH	HIV	NPA	TAOD	VIP
Standard 7: Students will demonstrate the ability to practice health-enhancing behaviors and avoid or reduce health risks.						
Alcohol, Tobacco, and Other Drugs						
D-6.7.1 Demonstrate ways to avoid potentially harmful situations involving ATOD use.					10, 11, 15, 16	
D-6.7.2 Demonstrate ways ATOD contributes to harmful situations and behaviors to reduce risk and decrease the chance of being affected.					14	
Growth, Development, and Sexual Health and Responsibility						
G-6.7.1 Identify coping strategies to address the physical, emotional, and social changes that occur during adolescence.	4, 7, 13	3, 7, 10, 11, 12				
G-6.7.2 Describe appropriate steps a person should take if they become the victim of sexual harassment, sexual abuse, or sexual assault.						16, 17
G-6.7.3 Describe options that exist for a survivor of bullying, cyberbullying, sexual harassment, sexual abuse, sexual assault, rape, domestic violence, and dating violence.						9, 11, 17
Injury Prevention and Safety						
I-6.7.1 Demonstrate behaviors and strategies to manage anger and conflict in healthy ways.		7				13
I-6.7.2 Discuss ways to avoid or reduce threatening situations.						14, 15
I-6.7.3 Discuss protective strategies to reduce the risk of violence in a person's home, school, and community.						8, 10, 11, 12
Mental, Emotional, and Social Health						
M-6.7.1 Discuss strategies to maintain or improve mental, emotional, and social health.		3, 15				
M-6.7.2 Compare and contrast the characteristics of healthy and unhealthy relationships.		4	4			
M-6.7.3 Analyze the ways in which friends, family, media, society, and culture can influence relationships.	12	13				

HEALTH STANDARDS	ABST	EMH	HIV	NPA	TAOD	VIP
Standard 7 (continued)						
Nutrition and Physical Activity						
N-6.7.1	Construct a nutrition plan that meets the current federal <i>Dietary Guidelines for Americans</i> , with an emphasis on healthy foods and beverages.				3, 16	
N-6.7.2	Create and implement a plan to engage in moderate to vigorous daily physical activity.				14, 16	
Personal and Community Health						
P-6.7.1	Explain the importance of assuming responsibility for personal health behaviors.	3, 9	2, 3, 6, 7	3, 5, 8	3, 14	17
P-6.7.2	Construct a plan to reduce environmental health risks in the school or community.	Not covered				
Standard 8: Students will demonstrate the ability to advocate for personal, family, and community health.						
Alcohol, Tobacco, and Other Drugs						
D-6.8.1	Describe ways to advocate to others the benefits of not using ATOD.				14, 17	
Injury Prevention and Safety						
I-6.8.1	Describe ways to advocate for a safe school environment.					12
I-6.8.2	List ways to intervene in situations where unsafe behaviors are taking place.				10, 11	
Nutrition and Physical Activity						
N-6.8.1	Examine ways to encourage family and peers to choose healthy foods from local producers and increase their physical activity.				15 [take-home activity]	
Personal and Community Health						
P-6.8.1	State a health-enhancing position on a health-related topic and support it with accurate information.	2, 11		2	6	13, 14
						4, 12

HEALTH STANDARDS		ABST	EMH	HIV	NPA	TAOD	VIP
Standard 1: Students will comprehend concepts related to health promotion and disease prevention to enhance health.							
Alcohol, Tobacco, and Other Drugs							
D-7.1.1	Compare and contrast drug misuse, drug abuse, and drug dependence.					3, 6	
D-7.1.2	Describe risks associated with alcohol, tobacco, and other drugs (ATOD) use, abuse, and addiction.					2, 3, 4, 5, 6, 7, 8	
D-7.1.3	Define opioid prescription medication and drugs.					7	
D-7.1.4	Discuss the impact of ATOD use and abuse on individuals, peers, and family members.					8	
Growth, Development, and Sexual Health and Responsibility							
G-7.1.1	Explain the structures and functions of the male and female reproductive systems.	5, 6					
G-7.1.2	Describe the advantages of abstinence.	11					
G-7.1.3	Describe the scientific processes of fertilization, pregnancy, fetal development, and childbirth.	8 [fertilization]					
G-7.1.4	Describe signs and symptoms and effective treatment of sexually transmitted infections and diseases (STIs/STDs), human immunodeficiency virus (HIV), and acquired immunodeficiency disease (AIDS).			6, 7, 8			
G-7.1.5	Explain effective methods for the prevention of STIs/STDs, HIV, and AIDS.			6, 7, 12			
G-7.1.6	Explain effective methods for the prevention of unintended pregnancy in the context of future family planning.			14			
G-7.1.7	Discuss the impact of bullying, cyberbullying, dating violence, domestic violence, sexual harassment, rape, sexual assault, sexual abuse, and consent.			3 [consent]			8, 9, 11, 17
G-7.1.8	Discuss South Carolina laws related to the sexual conduct of minors, including criminal sexual conduct through the use of technology.	Specific state laws will need to be added. Possible lessons:					
		10 [sexting]					17 [abuse]
Injury Prevention and Safety							
I-7.1.1	Explain the consequences of gangs and bullying/cyberbullying.						9 [bullying/cyberbullying]
I-7.1.2	Illustrate emergency situations and safe methods of responding to them.	Covered in High School					

HEALTH STANDARDS	ABST	EMH	HIV	NPA	TAOD	VIP
Standard 1 (continued)						
Mental, Emotional, and Social Health						
M-7.1.1 Demonstrate effective ways to communicate personal boundaries and show respect for the boundaries of others.	15	5	10			
Nutrition and Physical Activity						
N-7.1.1 Explain reasons why a person should follow the current federal <i>Dietary Guidelines for Americans</i> .				3		
N-7.1.2 Analyze the benefits of healthy eating in relation to disease prevention.				3		
	Covered in more detail in High School					
N-7.1.3 Identify signs and symptoms of disordered eating.				13		
N-7.1.4 Define hydration and explain its benefits during physical activity.				15		
N-7.1.5 Explain the benefits of engaging in moderate to vigorous physical activity daily.				15		
N-7.1.6 Analyze the relationship between healthy foods and beverages, calories, and physical activity.				12		
N-7.1.7 Explain safe food handling and preparation.				8		
Personal and Community Health						
P-7.1.1 Identify strategies to prevent or lessen common adolescent health issues.	2, 3, 9	10, 11		8, 12, 13, 15	11	2, 3, 4
P-7.1.2 Explain how oral health problems can affect overall health.	Not covered					
P-7.1.3 Determine ways that hereditary and environmental factors affect personal health.	3					
Standard 2: Students will analyze the influence of family, peers, culture, media, technology, and other factors on health behaviors.						
Alcohol, Tobacco, and Other Drugs						
D-7.2.1 Analyze the influence of culture and the media on ATOD use and nonuse.					9	
Nutrition and Physical Activity						
N-7.2.1 Analyze ways that culture and the media influence an individual's food choices and physical activity.				9		
N-7.2.2 Examine the influence of screen time on the physical activity levels of adolescents.				14		

HEALTH STANDARDS		ABST	EMH	HIV	NPA	TAOD	VIP
Standard 2 (continued)							
Personal and Community Health							
P-7.2.1	Explain ways that personal perceptions of social norms influence healthy and unhealthy behaviors.	13	13	1		1	1
P-7.2.2	Analyze ways that environmental conditions affect personal and community health.				15 [climate and physical activity]		
Standard 3: Students will demonstrate the ability to access valid information, products, and services to enhance health.							
Alcohol, Tobacco, and Other Drugs							
D-7.3.1	Access valid resources for ATOD related problems.	Not covered					
Growth, Development, and Sexual Health and Responsibility							
G-7.3.1	Demonstrate the ability to access valid information and resources related to reproductive health and STIs/STDs, HIV, and AIDS.	4		6, 7			
G-7.3.2	Locate valid information and resources related to dating violence, sexual harassment, sexual abuse, and sexual assault.						17
Injury Prevention and Safety							
I-7.3.1	Demonstrate the ability to utilize resources at home and in the school and community that provide valid safety information and services.	Not covered					
Mental, Emotional, and Social Health							
M-7.3.1	Identify situations that may require professional mental, emotional, and social health services.		8		13		
Standard 4: Students will demonstrate the ability to use interpersonal communication skills to enhance health and avoid or reduce health risks.							
Growth, Development, and Sexual Health and Responsibility							
G-7.4.1	Demonstrate communication and refusal skills to promote empathy, abstinence, and healthy relationships and to avoid risk behaviors.	7, 10, 14, 15	5, 12	10, 11, 13	10	15, 16	5, 16
Injury Prevention and Safety							
I-7.4.1	Analyze effective conflict management or resolution strategies.						14, 15
I-7.4.2	Demonstrate communication and refusal skills to promote boundary setting when using technology.		Can be addressed in 13				

HEALTH STANDARDS	ABST	EMH	HIV	NPA	TAOD	VIP
Standard 4 (continued)						
Mental, Emotional, and Social Health						
M-7.4.1 Explain how talking about feelings and emotions promotes mental health.		3, 8				
M-7.4.2 Describe ways to treat self and others with dignity and respect.	10	2, 5	2			12
M-7.4.3 Describe ways to respond when someone is being bullied or harassed.						10, 11
M-7.4.4 Demonstrate communication skills that foster healthy relationships.		5				
Personal and Community Health						
P-7.4.2 Demonstrate how to ask for assistance to enhance the health of self and others.		8				10, 15, 17
Standard 5: Students will demonstrate the ability to use decision-making skills to enhance health.						
Alcohol, Tobacco, and Other Drugs						
D-7.5.1 Apply a decision-making process to issues dealing with ATOD.	Covered in High School					
D-7.5.2 Explain ways a person's decisions about ATOD affect relationships with family members and peers.					8	
Growth, Development, and Sexual Health and Responsibility						
G-7.5.1 Apply a decision-making process to promote abstinence and to avoid risk behaviors.			9			
Injury Prevention and Safety						
I-7.5.1 Develop a plan for the safe use of technology, including social media and texting.		13				
Nutrition and Physical Activity						
N-7.5.1 Compare food choices from a variety of sources, including restaurants and food at home, to the current federal <i>Dietary Guidelines for Americans</i> .				7		
Standard 6: Students will demonstrate the ability to use goal-setting skills to enhance health.						
Nutrition and Physical Activity						
N-7.6.1 Set a specific, measurable, attainable, realistic, and timely (SMART) goal to achieve a balanced nutrition plan.				16, 17		
N-7.6.2 Create a SMART goal to increase physical activity by monitoring the progress of that goal and making the necessary adjustments to reach it.				16, 17		

HEALTH STANDARDS		ABST	EMH	HIV	NPA	TAOD	VIP
Standard 6 (continued)							
Personal and Community Health							
P-7.6.1	Explain ways that health goals can vary with changing abilities, priorities, and responsibilities.	16	15		17		
P-7.6.2	Develop a SMART goal to adopt, maintain, or improve a personal health practice.		15		16		
		Also covered in High School					
Standard 7: Students will demonstrate the ability to practice health-enhancing behaviors and avoid or reduce health risks.							
Alcohol, Tobacco, and Other Drugs							
D-7.7.1	Discuss guidelines for using prescription and over-the-counter (OTC) drugs properly.					5, 7	
Injury Prevention and Safety							
I-7.7.1	Develop injury prevention and treatment strategies for personal and family health.						1, 2, 3, 4, 7
Mental, Emotional, and Social Health							
M-7.7.1	Discuss coping strategies for managing stress, anger, and other feelings, including depression, and thoughts of self-harm or suicide.		6, 7, 8, 10, 11, 12				
M-7.7.2	Analyze the similarities and differences between friendships and romantic relationships.			4			
M-7.7.3	Describe a range of ways people express affection within various types of relationships.	10					
M-7.7.4	Describe the potential impacts of power differences such as age, status, or position within relationships.						9 [in context of bullying]
M-7.7.5	Discuss strategies for dealing with harmful behaviors in relationships, including dating violence.		5	4			
		Dating violence and ending relationships specifically covered in High School					
Standard 8: Students will demonstrate the ability to advocate for personal, family, and community health.							
Alcohol, Tobacco, and Other Drugs							
D-7.8.1	Demonstrate ways to advocate remaining drug-free.					14, 17	
Mental, Emotional, and Social Health							
M-7.8.1	Demonstrate ways to advocate for safe environments that encourage respectful treatment of self and others.			2			12

HEALTH STANDARDS	ABST	EMH	HIV	NPA	TAOD	VIP
Standard 8 (continued)						
Nutrition and Physical Activity						
N-7.8.1 Demonstrate ways to advocate the benefits of choosing healthy foods and beverages, and increasing one's physical activity.				6 [healthy snacking]		
Personal and Community Health						
P-7.8.1 Advocate for a healthy school, community, and natural environment.			2			12
P-7.8.2 Identify the ways in which blood and tissue donations are related to health promotion.	Not covered					

HEALTH STANDARDS	ABST	EMH	HIV	NPA	TAOD	VIP
Standard 1: Students will comprehend concepts related to health promotion and disease prevention to enhance health.						
Alcohol, Tobacco, and Other Drugs						
D-8.1.1 Discuss the reasons that individuals use and abuse alcohol, tobacco, and other drugs (ATOD).					11	
D-8.1.2 Examine the short and long-term effects and consequences of ATOD use, including the impact on society.					2, 3, 4, 5, 6, 7, 8	
D-8.1.3 Explain ways to access laws relating to ATOD use, possession, and sales.					12	
Growth, Development, and Sexual Health and Responsibility						
G-8.1.1 Explain how roles, including rules and responsibilities of the members in a family, change over time.	16 [teen parenting]					
G-8.1.2 Compare and contrast the structures and functions of the male and female reproductive systems.	5, 6					
G-8.1.3 Describe health issues that can affect male and female reproductive systems.	9					
G-8.1.4 Discuss the advantages of abstinence.	11					
G-8.1.5 Describe signs and symptoms and effective treatments of sexually transmitted infections and diseases (STIs/STDs), human immunodeficiency virus (HIV), and acquired immunodeficiency disease (AIDS).			6, 7, 8			
G-8.1.6 Explain effective methods for the prevention of STIs/STDs, HIV, AIDS, and unintended pregnancy.			6, 7, 12, 14			
G-8.1.7 Discuss South Carolina laws relating to the sexual conduct of minors, including criminal sexual conduct through the use of technology.	Specific state laws will need to be added. Possible lessons:					
	10 [sexting]					17 [abuse]
G-8.1.8 Examine the scientific process of fertilization, prenatal care and development, childbirth, and postnatal care.	8 [fertilization]		Supplemental Lesson [prenatal care]			
Injury Prevention and Safety						
I-8.1.1 Identify ways to reduce risk of unintentional and intentional injuries in the home, school, and community.						1, 2, 3, 4, 5, 6, 7, 8
I-8.1.2 Research the impact of gang activity on individuals, peers, family, school, and the community.	Not covered					
I-8.1.3 Define human trafficking.						17

HEALTH STANDARDS	ABST	EMH	HIV	NPA	TAOD	VIP
Standard 1 (continued)						
Mental, Emotional, and Social Health						
M-8.1.1	Examine factors that contribute to a positive self-concept.		3			
M-8.1.2	Discuss the interrelationship among mental, emotional, social, and physical health during adolescence.	7	1			
M-8.1.3	Describe the characteristics of resiliency.		3			
M-8.1.4	Demonstrate effective ways to communicate personal boundaries and show respect for the boundaries of others.	14	5	10, 13		
Nutrition and Physical Activity						
N-8.1.1	Examine the benefits of choosing healthy foods while following the current federal <i>Dietary Guidelines for Americans</i> .			3		
N-8.1.2	Discuss ways that disordered eating impacts an individual's health, including oral health.			13		
N-8.1.3	Explain the mental, social and physical benefits of moderate to vigorous physical activity.			15		
Personal and Community Health						
P-8.1.1	Explain the components of personal wellness.		1			
P-8.1.2	Discuss how heredity, lifestyle, behaviors, environment, and medical care influence an individual's health.	3				
P-8.1.3	Research ways in which organ, tissue, and blood donations enhance health promotion.	Not covered				
Standard 2: Students will analyze the influence of family, peers, culture, media, technology, and other factors on health behaviors.						
Alcohol, Tobacco, and Other Drugs						
D-8.2.1	Discuss the influence of family, peers, culture, and the media on an individual's opioid use, abuse and dependence.				7, 9	
D-8.2.2	Evaluate the influence of family, peers, culture, and the media on an individual's ATOD use.				9	

HEALTH STANDARDS	ABST	EMH	HIV	NPA	TAOD	VIP
Standard 2 (continued)						
Growth, Development, and Sexual Health and Responsibility						
G-8.2.1 Explain ways that culture and the media influence families and relationships.	12	13				
G-8.2.2 Discuss the influence of family, peers, culture, and the media on personal decisions about sexual behavior.	12					
Injury Prevention and Safety						
I-8.2.1 Explain the effect of gangs on personal safety in the community.	Not covered					
I-8.2.2 Discuss the risk factors, prevention, and support for someone who is involved in human trafficking.						17 [abuse in general—trafficking is defined but is not the lesson focus]
Mental, Emotional, and Social Health						
M-8.2.1 Examine how family, peers, and the media influence the mental, emotional, and social health of adolescents.	12	4, 13				
M-8.2.2 Evaluate how external influences affect feelings of depression, as well as the risk of self-harm and suicide.	Not covered					
M-8.2.3 Explain ways that the media influences an individual's body image.				11		
Nutrition and Physical Activity						
N-8.2.1 Describe ways that personal economics and geographic location influence food choices and availability.	Not covered					
N-8.2.2 Discuss the influence of the environment on a person's physical activity.				15 [climate]		
Personal and Community Health						
P-8.2.1 Discuss the ways that social norms influence healthy and unhealthy decisions and behaviors.	13	13	1		1	1

HEALTH STANDARDS	ABST	EMH	HIV	NPA	TAOD	VIP
Standard 3: Students will demonstrate the ability to access valid information, products, and services to enhance health.						
Growth, Development, and Sexual Health and Responsibility						
G-8.3.1 Evaluate the availability of valid information, community resources, and testing locations related to reproductive health and STIs/STDs.			8			
G-8.3.2 Access valid information and resources related to bullying, cyberbullying, dating violence, sexual harassment, sexual abuse, and sexual assault.						17
Mental, Emotional, and Social Health						
M-8.3.1 Locate valid health information, products, and services.			12			17
Standard 4: Students will demonstrate the ability to use interpersonal communication skills to enhance health and avoid or reduce health risks.						
Growth, Development, and Sexual Health and Responsibility						
G-8.4.1 Discuss effective verbal and nonverbal communication skills for healthy parent, family, and peer relationships.	7, 10, 13	5, 12				
G-8.4.2 Utilize communication and refusal skills to promote sexual abstinence and to avoid risk behaviors.	7, 10, 14, 15		10, 11, 13			
G-8.4.3 Compare and contrast ways to communicate with parents, family members, and other safe adults about reproductive health and responsible behaviors.	4, 7					
Injury Prevention and Safety						
I-8.4.1 Apply refusal and negotiation skills to reduce the risk of injury and promote personal safety.						5, 16
Mental, Emotional, and Social Health
