

Updated FOR 2025!

At ETR, we strive to keep our evidence-based programs current and meaningful for today's youth, while staying true to the core elements that make them effective.

For 2025, ETR has reviewed *Draw the Line/Respect the Line (DTL)* and made the following changes:

- + Updated internal and external design for ease of use.
- + Updated facilitator implementation guidance.
- + Reviewed Spanish translations.
- + Reviewed all modules for medical accuracy.
- + Updated information on HIV and STIs and how to prevent them.
- + Updated language.
- + Adapted lesson activities to reflect advances in technology.

TOOLS FOR IMPLEMENTATION:

- + The updated PowerPoint support tool covers all key content and activities.
- + Alternative Video Guidance directs educators to videos that can be used in place of those referenced in the program.
